

# UT Physics Tutorial Center Schedule

Fall 2023

Nielsen Physics Bldg Room 512

Physics 101, 135-136, 137-138, 161, 221-222, & 231-232

Astronomy 151, 152, 153, & 154

|                             | Monday                      | Tuesday                                       | Wednesday                             | Thursday   | Friday                              |
|-----------------------------|-----------------------------|---|---------------------------------------|--|-------------------------------------|
| <b>MWF</b>                  |                             |   |                                       |  |                                     |
| 8:00                        |                             |   |                                       |  |                                     |
